Owner Agreement:
I request that Load Management controls be installed on my home for the purpose of controlling the following ELECTRIC appliances:

☐ Water Heater
☐ AC Compressor (25% Program = 15min/hr)
☐ Heat Pump / Heat Strips

Please note: GAS appliances are not eligible for the Load Management Program

Through participation in the program, I will receive related credits on my monthly utility bill:

Electric Water Heater:	$5.00/month (January thru December)
Heat Pump/Heat Strips:	$12.00/month (December thru March)
AC Compressor – 25%:	$6.00/month (June thru September)

I agree for the Load Management Switch to remain connected for a minimum of one year from date of installation. If controls are disconnected or removed prior to the one-year period, customer will forfeit credits and the Town will require customer to refund credits earned: Exception: If customer moves to another location either in the Town or outside, no refund will be assessed.
